Description

Two Rare Fulani or Wassangari Battle Axes - Benin, Early 20th Century
Few examples of this type of axe have come down to us. There are nevertheless two, quite similar to the one with a triangular iron, in the reserves of the Musée du quai Branly under the inventory numbers 71.1930.21.2.1-2 and 71.1908.13.101 (one collected before 1930 and the other before 1908).
