Pair Of Large Cloisonné Vases Decorated With Court Scenes And Flowers

350 EUR

Period : 20th century

Condition : Bon état

Material : Cloisonne

Height : 38 cm

Description

A superb pair of cloisonné enameled metal baluster vases, decorated with lively scenes depicting figures in traditional costume in an imperial garden, surrounded by lush floral motifs on a turquoise background. The finely chiseled and colorful decoration demonstrates great craftsmanship. Each vase features two stylized carved handles, emphasizing their slender silhouette. The lower sections are richly decorated with peonies and foliage on a bright blue background, while the central registers illustrate scenes of court life in the classical Chinese style. Characteristics: o Origin: China o Period: 20th century o Technique: Cloisonné enamel on metal o Decoration: Figurative scenes, flowers, foliage o Dimensions: 38 cm high o Condition: Good condition with normal wear,
