Veronique Wirbel : "flying In The Night"

480 EUR

Period : 20th century

Condition : Bon état

Description

Véronique Wirbel (1950-1990): "Flying in the Night", gouache 60 X 50 cm on thick paper, bearing the studio stamp. Slight traces of handling. Like the bird that the man feeds, the woman flies into the night... There are encounters that, in hindsight, seem obvious to you. This is the case with the work of Véronique Wirbel, who died tragically at barely 40 years old, teeming like a child's imagination, colorful like the fabrics of Africa that she knew well having spent her childhood there and communicative of a joy that apparently, alas! she did not share... Of course, we could find her kinship with Corneille, Basquiat or Aloïse, but she was Wirbel, quite simply. This work comes from the studio of the Artist that we were lucky enough to acquire and that we will gradually prepare and put up for sale.
