

"cardinal" Pewter Dish - Digne-les-bains, 18th Century

180 EUR

Signature : Paul Antoine TOURNIER (?)

Period : 18th century

Condition : Bon état

Material : Tin

Description

Wrought pewter dish with a wide wing called "cardinal" with a strong peripheral molding. Master mark attributed to Paul Antoine TOURNIER received master before 1756: three-arched bridge / PAT Diameter: 30.2 cm. SAINT-JACQUES (Alpes de Haute-Provence), Mid-18th century. Locality located south-east of DIGNE-LE-BAINS The only observation to my knowledge of the production of this small center and an interesting witness to the longevity of this form with a wide wing born in the 17th century, adopted in France from Italy, under the influence of Cardinal Mazarin. Some stains to be treated (or not!) and a small local deformation at the junction of the wing and the bud. *****To access my pewter tutorials and my auction calendar, visit my
