Description

Large vintage bookcase published in the 50s-60s by the company Les Meubles Oscar, icon of modular furniture, and designed by the designer Didier Rozaffy. Characteristics: this vintage bookcase is made up of 14 modular and fully removable elements: 4 with sliding wooden doors, 8 with sliding glass doors and 2 niches. Renovation: the vintage bookcase has been completely revised, washed and then nourished with linseed oil to protect it and give it a new lease of life. Condition: exceptional condition with some small marks of time on the veneer and a small lack on a window, invisible once assembled. Dimensions: L150.5 x D43 x H235. Low modules (closed): L72 x D36 x H44. Intermediate modules (closed): L72 x D26.5 x H35. High modules (glazed and niches): L72 x
