

Ceramic Cat From Manises, 1960s

350 EUR

Period : 20th century

Condition : Bon état

Description

A charming piece of black and white glazed ceramic, made in the famous Hispania CH workshops in Manises, as evidenced by the seal visible on the base. This little cat, captured in a relaxed pose but with its head raised in an attentive attitude, evokes a subtle blend of serenity and vigilance, typical of these much-loved animals. Made in the 1960s, its excellent state of conservation makes it a true treasure, both for collectors and for those looking for a unique piece full of history. Its meticulous and realistic design makes it an ideal decorative element in any space, bringing a touch of nostalgia and elegance. Dimensions: Length 40 cm, height 25 cm, width 20 cm. A true tribute to the craftsmanship of Manises
