

## 18th Century Oak Bookcase Desk

2 800 EUR

Period : 18th century

Condition : Très bon état

Material : Oak

Width : 1,43 m

Height : 2,37 m

Depth : 0,70 m

### Description

Normandy bookcase desk from the south of Manche, dated 1781. It opens with five doors and six drawers, harmoniously molded. All in oak and chestnut, fretwork top, original lock. Note that the interior of the upper part was painted oxblood color at one time. Remarkable state of preservation. For any additional information, do not hesitate to contact us. Delivery or shipping on estimate. No delivery to upper floors due to its weight.
