Description

Pair of Louis XVI style two-light candlesticks mounted as lamps. In bronze on a square white marble base mounted on four spinning feet supporting a truncated shaft, flanked by two branches topped with an eagle's head starting in scrolls with acanthus leaf decorations and surmounted by a socket on its leafy basin. Period early 20th century. Topped with an oval shade with a gray background decorated with two medallions in linen canvas printed with a bird decoration on a flowering branch - taupe background with grisaille decorations, highlighted with chocolate soutache. Electrification completely revised, wire, plug and bipolar switch in gold color, E14 screw socket. The electric wire passes outside the candlestick. Protective varnish on the bronze. Some
