### Description

This Holy Family, painted at the beginning of the 19th century, is stunning. The chiaroscuro lighting of the scene highlights the Virgin Mary's gentle face. The triangular composition is harmonious, the colors shimmer, and the details are masterfully handled, particularly the hands, accessories, and folds of the clothing. Note that the painting has been relined. It is enhanced by a gilded channel frame. The dimensions with the frame are 58.5 cm x 44.5 cm. Packaging, shipping, and insurance costs via tracked Colissimo are EUR35 for France and EUR45 for the European Union. For the rest of the world, please contact me.
