Vintage Leather Rhinoceros With Sulphur Glass Eyes

450 EUR

Period : 20th century

Condition : En l'etat

Material : Leather

Length : 35 cm

Width : 12 cm

Height : 17 cm

Description

This vintage leather rhino is a decorative piece crafted with great finesse. The body is covered in stretched and molded leather, carefully crafted to reproduce the folds and texture of a real rhino's hide. The pleated areas and thicker parts, especially around the shoulders and legs, are particularly well rendered, giving the animal a lifelike appearance. The sulfide glass eyes add an expressive and unique touch to this characterful piece.
