This magnificent period bar features a geometric marquetry facade typical of the 1950s, combining elegance and character. Made of solid wood, it is adorned with hand-carved details in the corners, adding a touch of refined craftsmanship to its sober and imposing appearance. The stone-effect Formica top, with its molded wooden edge, is both practical and decorative. At the back, numerous storage spaces and shelves allow for optimal organization, ideal for professional use (bar, restaurant, hotel) or domestic use.
