### Description

Painting, oil on canvas, measuring 55 x 75 cm without frame and 65 x 85 cm with frame depicting a winter landscape of the Italian school of the first half of the 18th century. A vibrant, lively painting animated by a group of peasants working on the left, with a fine sense of perspective and a skilful distribution of space. The chromatic impact is beautiful with these light tones that blend with the peace and tranquillity of the peasant world. The paintings and works of art published here are my exclusive property and therefore are always available to be viewed, by appointment, in my exhibition sites located in Sanremo and Brescia.
