

Bronze Horse From China

350 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 13 cm

Height : 12 cm

Depth : 6 cm

Description

We present this beautiful bronze harnessed horse from China with a lovely patina and gilding. Traces of oxidation that should be left in my opinion give it extra charm. It seems relatively old to us, so a period to be determined. In any case, it is not a copy from the 20th century, we certify it. Object of undeniable quality. Weight 387 gr Door extra (E25)
