

Rooster-shaped Aquamanile

420 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Description

Cock-shaped aquamanile 19th century Copper alloy H. 14 cm This model is inspired by the aquamaniles made in Western Europe in the 12th century. Magnificent cast iron then reworked with a tool. Beak and barbel have been surface treated to color them red. Traces of verdigris. The animal's crest is removable.
