Description

The 18th-century English fall-front desk in walnut and elm burl is an elegant example of period craftsmanship, ideal for those who want to enrich their home with a distinctive, refined, and historically rich element. Its beauty lies not only in the fine materials but also in the balance of form and utility. Fine materials and authentic finishes. Crafted from walnut and elm burl, this fall-front desk stands out for the outstanding quality of the wood and its beautiful patina, giving it a warm and welcoming appearance. The combination of walnut and burl creates a striking interplay of grain and color, enriching any room. In good overall condition, it measures 111x55x105 cm, making it ideal for integration into either a refined living room or a classic study. 18th-century English functionality and
