Framed work. Dimensions: 90 x 90 cm About the work In this work, this material, I explored the fusion of tumultuous emotions with the fiery colors of acrylic and oil. Inspired by Fauvism, I chose vibrant hues that captivate and evoke an emotional storm, reflecting the complexity of our feelings in the face of life's storms. A landscape in an abstract tumult, what matters is the material. These dynamic colors bring a revitalizing energy to any space, inviting reflection and emotional resilience.
