Description

Elegant high sideboard in solid wood, with a clean and functional design, typical of the 1950s-60s style of Pierre Gautier Delaye "weekend" model, Vergnères edition. This piece of furniture is composed of 3 doors with integrated opening, revealing a beautiful interior storage space. The structure rests on four round legs and a low shelf, perfect for displaying objects or adding storage. The grain of the wood is particularly highlighted by a natural, warm and sober finish. Ideal for a dining room, a living room or even an office, this piece of furniture fits equally well in a classic or contemporary interior.
