Description

Silver brooch with pearls and miniature
Austro-Hungarian Empire Vienna Ludwig
Politzer Brooch from the end of the 19th century
with a miniature portrait of a woman in the style
of the 18th century, surrounded by gilded silver
set with small pearls. Austro-Hungarian hallmark
of 750 thousandths of silver with the letter A for
Vienna and Hallmark LP in a cartouche with cut
sides, most likely for Ludwig Politzer. The pin at
the back is in 18 carat gold, no hallmark, gold
tested. Good condition, fading of the gilding, the
upper round part was re-soldered on the last circle
on one side and it came off again, the whole thing
is held together thanks to the attachment on the
other side which is intact. The miniature has
small wear and is blurred around the edge, slight
twisting of the pin at the back. Height 3.2 cm,
