Description

This system chaise longue has an asymmetrical backrest. The backrests of different sizes are animated and each end in a volute eye. A push button system allows the left backrest to tilt to obtain a larger lying surface. This chaise longue is dressed, on all sides, in an almond fabric with olive green braid. The traditional seat is firm and in perfect condition. The whole rests on four cut-out legs. With its modulating functionality, this chaise longue will seduce with the beauty of its walnut wood. ********* Period: Early 19th century Excellent condition.
