Description

Jean Hennau (Master Glazier) - "The Messenger of the Abyss" Exceptional stained glass art window created by Jean Hennau, a master glazier renowned for his talent in the art of painted glass and his creativity. This work, one of the last created by the artist, demonstrates his perfect mastery of colors and traditional stained glass techniques. The panel, measuring 90 x 104 cm, depicts a large stylized fish evolving in a vibrant aquatic world, surrounded by undulating algae and luminous bubbles. The vibrant palette, ranging from deep blue to intense turquoise, is magnificently enhanced by the orange hues of the fish, giving the scene a striking dynamic. Rare work Weight 15 kg Dimensions: 90 x 104 cm Technique: painted and leaded glass Framing: aluminum frame Signature with certificate
