Description

Extendable dining table. Mahogany wood. England, 19th century. Rectangular mahogany dining table with metal casters on the legs and a carved decoration concentrated on these supports, composed of architectural and vegetal elements. The lines of the legs recall English examples from the Victorian era, but the decoration of the latter is not the most common in this type of furniture. The table top is extendable. - Dimensions: 140x115x74 cms. Extendida 115x185 cms
