### Description

Superb modern stained glass window created by Jean Hennaou, a former master glassmaker renowned for his expertise and innovative artistic approach to glass. This large work (119 x 105 cm) is made up of multiple elements of tinted glass with subtle and varied shades, assembled in a metal structure. Each piece of glass, with irregular shapes, presents blurred and vaporous colored touches evoking natural impressions (water, skies, foliage), offering a true mosaic of light and color. The play of transparencies and reflections transforms the work according to the ambient light, creating a changing and poetic atmosphere. Dimensions: 119 x 105 cm  
Technique: Tinted glass mounted in a metal structure  
Signature: Present  
Condition: Excellent general condition  
Rare work of a master
