Louis-philippe Chest Of Drawers With Marble Top (renovated)

500 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Beautiful and opulent Louis-Philippe chest of drawers with marble top. Materials: solid cherry wood and black and white marble.

Characteristics: this Louis-Philippe chest of drawers has four drawers, the first being lower and slightly offset from the others. The first drawer opens with invisible handles underneath. The other three drawers open with a key. Their locks are no longer functional. Renovation: this Louis-Philippe chest of drawers has been completely washed and treated against woodworms. It was sanded to remove its original orange varnish, then lightly stained and finally protected with a colorless wax, which highlights its lovely patinated grain. Condition: this Louis-Philippe chest of drawers is solid, stable and sound. Its drawers slide well. The cover on
