Description

Overall dimensions: 105 x 30 x 35 cmA striking modern sculpture by Spanish artist Antonio García Mengual, signed and dated Mengual 76 in 1976. The work depicts a stylized and elegantly modeled female figure serenely holding a musical instrument - a recurring theme evoking the relationship between art, harmony and femininity. Crafted in gesso with a careful topcoat that mimics the texture and color of natural stone, the piece combines the lightness of the material with the visual solidity characteristic of contemporary sculpture. The fluid lines and elongated proportions recall the stylistic trends of the second half of the 20th century, which merged abstraction and figuration. The volume and refined forms reflect Mengual's technical mastery in modeling the female body, offering a very
