Material : Solid wood

### Description

Large French sideboard, 19th century Carved fruitwood and marble top Dimensions: 260 x 150 x 65 cm Impressive 19th century French historicist style sideboard, made of finely carved fruitwood and topped with an elegant veined marble top. The top of the cabinet is majestically and symmetrically flanked by four sculptures representing Diana, goddess of the hunt, an emblematic figure in Roman mythology associated with nature, the moon and protection. These sculptures, carved with great realism and delicacy, present an exceptional sculptural quality, and on the back of one of them, the artist's mark or signature can be seen, which supports its authenticity and artistic value. The front of the sideboard features an exquisite relief carving with ornamental motifs inspired by

classical antiquity and nature, further enriching its refined aesthetic. The combination of the warmth of the fruitwood, the brilliance of the marble, and the sculptural presence of the figures make this piece a striking example of 19th-century French cabinetmaking. Excellent condition. This is a unique large-format work, ideal for elegant settings or high-end furniture collections.
