Description

Rare pair of decorative plates, Louis Philippe period by the artist E. Pecquet with the effigy of Marie Antoinette and Louis XVI opposite. These fine white porcelains from the beginning of the 19th century are remarkable for the quality of the painting, treated in a sepia manner on a beautiful white glaze with a gilded edge and fillet. These two pieces are in perfect condition and not worn since they are decorative and wall-mounted, they are equipped with an old legged support, practical for a decoration in moving memory of the Royal couple, ready to decorate an "Ancien Régime" dining room... two beautiful pieces preserved and very successful...
