Description

? Elegant Louis XV style console table - solid wood and refined finishes ?Give your interior a touch of distinction with this sumptuous Louis XV style console table, a piece that is as functional as it is decorative, combining old-world charm and timeless elegance.???? A piece of furniture with characterThis solid wood console table immediately seduces with its curved lines, its French-style curved legs, and its careful carpentry work. The front, composed of three generous drawers, is framed by two open niches that visually lighten the room while offering beautiful possibilities for decorative display (antique books, dried bouquets, objets d'art, etc.). The finely crafted bronze handles add a precious note, while the warm tone of the wood evokes the softness of bourgeois interiors of the 18th
