Description

Watercolor on paper, 19 x 14.5 cm (unframed)Frame 42 x 32 cm (with mat and glass)This delicate English watercolor depicts Hampton Court Castle, located in the countryside of Herefordshire. Signed with the monogram "O.K.M.A." in the lower right corner, the work presents a detailed rendering of the Gothic architecture and surrounding landscape, with a harmonious use of color. The drawing is mounted on a dark green mat with an original label reading "Yampton Court," likely a variant spelling or transcription error of the name. The scene shows the castle set within a wooded park, depicted with careful attention to natural and architectural elements, in the typical style of English romantic views.
