1 200 EUR

Period : 19th century

Condition : Bon état

Material : Wool

Length : 325 cm

Width : 100 cm

Description

Magnificent Gallery / Corridor from Adiyaman in Eastern Anatolia. Woven and embroidered wool on wool in the traditional way. The piece is composed of a succession of horizontal woven and embroidered bands. The work is very fine. Without a doubt, the kilim was woven by the majority Kurdish population in this region. The plant shades are breathtaking! Circa 1880 Very good general condition despite some wear and tear. A complete expertise is possible on request.
