

## 19th Century Chinese Cloisonné And Bronze Sculpture Of A Peasant On A Donkey

1 599 EUR

Period : 19th century

Condition : Très bon état

### Description

A remarkable and large 19th century Chinese cloisonné and bronze sculpture of a peasant riding a donkey. The figure is adorned with a brightly colored robe and hat, both finely detailed with traditional cloisonné floral and geometric designs in rich blues, greens, and reds. The donkey is executed in dark patinated bronze, with exquisite attention to anatomical detail and expressive posture, its head lowered as if grazing or in motion. This impressive piece showcases the exceptional artistry of Qing Dynasty metalwork and cloisonné techniques, combining sculptural form with vibrant enamel decoration. A rare and decorative piece, ideal for collectors of Asian antiques or fine decorative arts. Dimensions: 57 x 60 x 20 cm
