Description

First edition enriched with a dedication from the author (recipient's name erased). Sansot & Cie, 1912. Softcover (slightly damaged). Some light foxing. A political novel in free verse written directly in French by the famous founder of the Futurist movement, "The Pope's Monoplane" exalts nationalist and warmongering values. An airplane pilot (played by Marinetti himself) decides to capture the sovereign pontiff...
