Description

Charming pair of statuettes representing a couple in costume, standing on finely sculpted rocaille bases. The young man, gallantly dressed in a tricorne, breeches, and frock coat, appears to be sending a kiss, while the young woman wears a draped dress with a high headdress and holds a fan. The modeling of the faces, the attention to detail in the clothing, and the pastel shades testify to careful craftsmanship. Unsigned, these porcelain or tinted biscuit figures are in the tradition of European decorative productions of the late 19th or early 20th century. Height: 45 cm
