

Small Bronze With An Antique Faun Playing The Flute

290 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Width : 5

Height : 13.5

Depth : 3.5

Description

Small bronze with green patina, after the Antique representing an alder playing the flute, after the Hellenistic reproduction of a Greek original probably by the famous sculptor Lysippos of Sicyon. The bronze presented here is a work from the beginning of the 20th century, in the spirit of the Grand Tour, a charming little "object"
