Description

Bronze with golden brown patina representing "Maternal Tenderness". The kneeling mother holds her young child in her arms who is standing against her mother. Beautiful treatment of the rounded lines whose softened angles bring a lot of grace to this group celebrating maternal love. The deep patina, particularly successful, catches the light from all angles. The structured treatment of the mother's back gives her protective strength in the celebration of this universal attitude. Bronze signed at the base M. SOLSONA Spanish artist born in 1936. Numbered: P/AI/IV (small edition)
