### Description

Vintage Airport Runway Lamp - Edition created by Europhane - Unique & luminous object! Give a touch of originality and history to your interior with this real airport runway lamp by Europhane, partially restored and redesigned for use as a living room mood lamp.???? Elegant and functional transformation: Each lamp has been carefully equipped with a switch, allowing you easy daily use. The globe support, in molded plastic, originally yellow, has been repainted in matte black for a touch of sobriety and modernity that fits perfectly into any type of decoration, industrial, loft, or contemporary.???? Vintage LED bulb included: We have selected a filament LED bulb, both economical and warm, to enhance the light filtered through the red globe. It evokes the warmth of an old train station or
