### Description

Large rug in pure wool on cotton, hand-knotted, with two dominant colors that, I find, blend wonderfully : water green and wine lees. No false notes in the color palette (the colors do not clash like on some rugs), very elegant, it will be accompanied by its certificate of origin. Almost like new, bargain price compared to the purchase price which was over 4500 euros. Turkey, 2001NB : the colours stand out best in the last photo
