Description

This quality late 20th-century upholstered high back wing settee is a beautifully crafted piece. Its substantial, well-shaped frame features a deep-buttoned upholstered back and arms, all covered in the original fabric. The sofa boasts scrolling arms, a sprung seat, one large shaped loose cushion, and close-nailed brass stud detailing. It is supported by frontal square tapering legs with brass caps and splayed back legs. The settee is very comfortable and is in superb condition with no damage or repairs. With a seat height of 50cm, this settee is in very good original condition, offering both comfort and aesthetic charm.
