Description

Antique and rare pair of gilt bronze sconces with two so-called asymmetrical light arms. The shafts are in rocaille with plant decoration and the center is equipped with a bust of characters called Chinese. These sconces are from an old manufacture and cast from the end of the 19th century, Napoleon III. Very good condition with minimal wear. Note, the bobeches are staggered and different on each light arm but in harmony and matching on the pair. Dimensions Height: 42 cm - width: 34 cm. Electricity to be reviewed. Full of charm, and very good quality. Find us on antiquites-monfuturanterieur.fr and on insta mon_futur_anterieur
