Description

Description A North Italian carved and painted cabinet in walnut and cedar wood, late 18th century early 19th century. The linear front is divided into twelve drawers framing a central portal topped with a pediment. The portal is both openable and removable and consists of a base drawer and a central drawer. The entire structure is supported by four neoclassical-style columns. It includes hidden internal compartments. The upper section is openable and features a base drawer and a storage compartment. The front legs are shaped like animal paws. Dimensions
HxLxD 35,24in x 27,95in x 14,96in Provenance Private collection Conditions Shortages and defects. Restorations.
