150 EUR

Period : 20th century

Condition : Bon état

Material : Other

Width : 25 cm

Height : 25 cm

Depth : 17 cm

Description

Folk art at its best. Traditional fishing basket in motion hugging the splinted wicker body, that is to say hollowed out and flattened which gives a weaving result of great finesse and which ages wonderfully well as you can see. Here is a large model with its leather strap, the small eyelet allowing to close the lid has suffered a little from its use but nothing serious. First half of the 20th century. Shipping in France and internationally, contact me for terms
