

Horn Of Plenty, Carved And Gilded Wood. 19th Century.

2 500 EUR

Period : 19th century

Condition : En l'etat

Material : Gilted wood

Width : 45,5 cm

Height : 60 cm

Description

Cornucopia, carved and gilded wood. 19th century. Rectangular mirror whose frame is highlighted by a crest that extends to the sides. It is made of volutes and rocailles, directly inspired by the 18th century examples that follow this style. The straight lines inside the mirror show that, as was common in the 19th century, elements of earlier styles were taken to create works more in keeping with the taste of the time.

- Size: 45.5x60 cm
