Description

This exquisite antique Italian chest of drawers, dating back to the first half of the 19th century, during the reign of Charles X, exemplifies the fine craftsmanship and elegant design characteristic of its era. Crafted from fine solid walnut, it features intricate inlays on the drawers, showcasing meticulous craftsmanship, using different wood species to create a classic scroll and curl pattern that adds personality without overpowering the piece. The elegant top is crafted from fine Italian Carrara marble, which complements the linear and harmonious shape of the chest of drawers. Its functional design includes three large drawers and a smaller top drawer, the latter internally equipped with four additional small drawers, ideal for storing small valuables such as jewelry. The piece is in
