Description

Vintage 18k Gold and Diamond Clip-On Earrings, Italy, 1980s Description: A superb pair of vintage 18k yellow gold clip-on earrings, matching the previously described ring, and perfectly illustrating the Italian jewelry style of the 1980s. These domed clip-on earrings feature an elegant structure in polished gold rows, each set with 21 brilliant-cut diamonds, for a total of 42 diamonds, weighing approximately 0.70 carats. The diamonds, of very fine quality (VS1 clarity, EF color), bring remarkable brilliance to these clips. Each clip is equipped with a post for pierced ears, offering perfect stability. Upon request, it is possible to remove these posts by a slight restoration, transforming the clips into models suitable for non-pierced ears. This option allows the clips to be adapted to the preferences
