

## Polychrome Overlay Of Lauragais Of Montreal From Aude Languedoc 19th Century

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Height : 60cm

### Description

Made of SYCAMORE wood, 60 cm high.  
Weighing 2,300 kg. Comes from a farm in the Lauragais region called "Garignon", in the municipality of Montreal. The last photo shows it in a museum in Toulouse, same colors. In very good condition, has been immersed in a bath of Xilophène and waxed, very robust and functional. Free delivery by registered Colissimo with insurance. Personal collection, these objects are becoming increasingly rare.
