Description

Elegant bookcase in solid walnut, richly carved in the Renaissance style, made at the end of the 19th century. The openwork pediment with central cartouche, the turned columns and the decorated panels on the front testify to careful ornamental work. The glass doors reveal adjustable shelves, ideal for displaying books or art objects. The quality of the walnut, its grain and its warm color offer a visual rendering of great nobility. Furniture in very good general condition, beautiful original patina. Dimensions: 118x240x45.5 cm Period: circa 1880-1900
Wood: carved solid walnut Condition: very good, normal domestic use Transport possible - Quote on request.
