Gennaro Ipolito, Pastel Drawing On Paper Under Glass

260 EUR

Period : 20th century

Condition : Très bon état

Material : Pastel

Description

Framed under glass, 27.5 × 34, good condition. Gennaro Ippolito, born in 1969, is a painter and photographer whose work is part of a perpetual search between introspection and raw expression. Residing and working in Italy, Ippolito is known for his captivating portraits and his in-depth exploration of landscapes and the details of nature. He resided in Monthieu Lagarde "Le pas des échos".
