600 EUR

Period : Before 16th century

Condition : Bon état

### Description

Antique oval carnelian intaglio weighing 3.64 cts depicting a doryphore character. Roman Empire, 2nd-3rd century AD. Dimensions: 13.70 x 8.30 x 3.70 mm Are you familiar with the art of glyptics? Intaglios and cameos are making a strong comeback today through easy-to-use jewelry: signet rings, bezel-set necklaces, etc. Some prestigious and pioneering houses in this field - such as Lydia Courteille, Auclert or Hemmerlé - are now joined by smaller workshops. With our Precious Recycling you can decide on your own artistic re-creation project today. Do not hesitate to write to us at [contact@diamantiques.com](mailto:contact@diamantiques.com)
