

Portrait Of A Woman With A Red Scarf

280 EUR

Period : 19th century

Condition : En l'etat

Material : Oil painting

Width : 50 cm

Height : 61 cm

Description

Portrait of a woman with a red scarf, a portrait marked by great austerity, the only fantasy being this red scarf which stands out even more on this black dress, painting probably from Northern Europe, Scandinavian or other. The face is particularly well done. Note the painting on its original canvas and the gaps in the pictorial layer and small old restorations.
