Description

Square-shaped bottles in heavy crystal, both marked "Baccarat" on the bottom. These are liquor bottles of the Harcourt model. The bottles have been used; both stoppers have chips along the inner edge, and one of the stoppers has tiny chips on the outer part. One of the openings also has small chips, but the most noticeable defect is a scratch on one corner of the base of one of the two bottles (see the last two photos). The mentioned defects are documented in the photos.
