Description

Large cake dish from the village of Sare painted by Jean Baptiste Laffargue, member of the family of the famous leather goods artist of Saint Jean de Luz, from the Ramuntcho service manufactured by Sarreguemines in the 1930s. JB Laffargue sadly died in deportation in 1943 for acts of resistance. This is the large model of the cake dish (43.5 cm x 16 cm with the handles), of which I offer a smaller version on the site, as well as other pieces of the service, all in excellent condition.
